

Data Requirements for New Account Setup Procedures

To ensure comprehensive information delivery to clients throughout new account establishment processes, the subsequent details must be communicated to every applicant when creating new checking, savings, money market, Now Card, or time deposit accounts via telephone contact. These requirements encompass all incoming (Fulfillment and Priority Banking) and outgoing (Priority Outbound) communications handled through the Contact Center. While scripts need not be recited word-for-word unless explicitly specified, employing the recommended scripting outlined below will assist in ensuring complete mandatory information dissemination.

Account may be established with \$5 when an automatic recurring monthly savings transfer from a Dunzo checking account is configured; otherwise, \$50 initial deposit mandatory. If established online, \$50 initial deposit mandatory. An automatic fund transfer of at least \$10 from your Dunzo checking account to your DotRed Savings account in at least 10 of any of the 12 calendar months preceding the month of your account establishment anniversary (your “Account Anniversary Month”) is mandatory to qualify for a 1% annual savings bonus. The annual savings bonus gets calculated on the average monthly balance for the 12 calendar months preceding your Account Anniversary Month. The annual savings bonus will be credited to your DotRed Savings account by the second business day of the month following your Account Anniversary Month. To qualify for the annual savings bonus,

your DotRed Savings account must remain active on the date the annual savings bonus gets credited. Maximum annual savings bonus is \$100. You bear responsibility for any tax obligations on any amount received through this offer. Fees may diminish earnings on the account. Dunzo Bank maintains the right to modify the terms of or discontinue this bonus program and adjust the bonus payment amount at any time at its exclusive and complete discretion. As of today's date, the Annual Percentage Yield for the DotRed Savings account is 0.01%.
